### CALYPSO

Would you like to have a home spa but don't have the space?

The Calypso corner spa seats 2 people (one spa seat and one lounger). It has 22 hydrotherapy jets and stands out for a design that is both elegant and practical, as its small size gives you great flexibility when you are deciding where to install it.

You can now enjoy the benefits of a complete massage with chromotherapy, aromatherapy and ozone when you get home.
